

**The Cleveland Yachting Club proudly welcomes you to the
81st Annual F W Roberts Race 2011**

Friday June 17, 2011 – 7:30 pm

The F W Roberts Race is not only one of the Great Lakes’ oldest running sailing events, but also one of the longest. An historic race, the Cleveland Yachting Club has been hosting this event out of their harbor since 1930 and, in keeping with tradition, schedules the start around the summer solstice. What a great way to begin the sailing season. This year will be a 45 nautical mile run between CYC, the Cleveland Water Intake Crib, and Lorain’s outer break wall. Please join us!
